

PUBLIC VENUES AND EVENTS: SAFE SECURITY!

6th – 7th June 2018, Amsterdam, The Netherlands
Taets Art and Event Park | Amsterdam - Zaanstad

EMPOWERING SAFETY AND SECURITY PROFESSIONALS WITH FOUR PUBLIC VENUE AND EVENTS SAFETY SHIELDS:
TAKING PLANNING, PREPARATION, POLICIES AND PROTECTION TO THE NEXT LEVEL

ATTEND THIS PREMIER CONFERENCE AND GAIN INSIGHTS INTO

PROFITING from right crowd safety techniques and risk assessment plans for fast evacuation

HARVESTING from the best insights on public training and information sharing for better emergency preparation

MASTERING officially recognised qualifications for security professionals in charge to be well prepared for effective communication in case of emergency

LEVERAGING efficient performance techniques of your security and safety personnel for the right response to an attack

MITIGATING an unpredictable threats in your public venue with advanced safety and security intelligence

RELYING on a well-planned and assessed risk plan for best safety techniques implementation during an unpredictable attack

INCORPORATING prompt evacuation plan and rendezvous points prior to every public gathering

DISTINGUISHING soft safety points and preparing for right prevention of potential terrorist threats

MERGING technological safety innovations with coherent training of security officials for the best emergency prevention

EDUCATING your environment and venue resource to deny, deter and detect risk and threats

WHY YOU CANNOT MISS THIS EVENT

Who ever in this open environment made a public venue and events 100% safe?

Europe's terror threat is real now, as well as the future predictions of potential unpredictable attacks. Between 2010 and 2014 Europe has counted a total of 37 terrorist killings, with only less than a hundred of Europeans affected. Respectively, last year the terrorism death rate was already a 0.027 per 100,000, counting the amount of almost 150 dead.

Like it or not, there is a growing tendency of unpredictable attacks across Europe. It is inevitably going to happen and public venues remain the primary soft target for future hazards.

Occasional public venue and events safety gaps force us to take a different look to active shooter or a loan-wolf attack, targeting tourist sites, large-scale events, restaurants or commercial centres. That begs the questions - how safe your upcoming gathering will be? What will you do to make those attacks fail?

Danger is never greater outside your control area and there is no such thing as enough of security to make public viewings completely safe. Problems are in constant motion, so as your security solutions must be.

Learn to prevent unpredictable and don't let your venue to be another Barcelona's Las Ramblas, Brussels' Zaventem airport, Paris' Bataclan music stage, or a London Bridge in nearby Borough Market.

This event will help you to create a security shelter to protect your customers, clients, guests, entertainers, VIP's and the personnel.

Invest in this 2-day conference '**Public Venues and Events: Safe Security**' and be prepared to shield your public venue with right security needed.

The exclusive An Active Shooter Drill Training will teach to develop a spider sense of security personnel and storscape you to the next level of security prevention in public venue. Following with Escape Route Mapping Session, you will get the most useful tips for evacuation planning. Expert Panel Discussions will introduce you to the best authority communication practices and regulations within the European Union, and help you adopt the most effective tools in dealing with complex security challenges today.

WHO SHOULD ATTEND

Chiefs | Directors | Senior Managers | Managers and Heads of:

Safety and Security
Venue Operations
Event Operations

Risk Assessment Management
Emergency Management
Facilities

Occupational, Health and Safety
Crowd Management
Neighborhood Commanders

FROM:

Airports • Sports Arenas and Stadiums
City Councils

Acceleration in the era of chaos and change - Mad Men vs Math Men
Broadly covered in Dutch as well as international media like The Wall Street Journal, CNBC, CNN, The New York Times etc, so definitely has name recognition. He calls himself 'a math man in a world of mad men' and speaks about marketing, media and innovation.

0930 Morning Break

0945 Chairperson Opening Address for Public Venues and Events Safe Security

Paul Wertheimer, Principal and Founder, **Crowd Management Strategies**

0950 **POWER TO PROTECT**
Reality of Public Safety: Why We Are All Here Today?

This opening keynote session will identify major vulnerabilities in event planning, management, staffing and emergency response. Steps to improve crowd safety and security standards will be proposed. The session will provide lessons learned, insights, emerging safety, and security trends. What could impact your next public gathering?

Paul Wertheimer, Principal and Founder, **Crowd Management Strategies**

1010 **FLUCTUATIVE SECURITY AND RESPONSE ORCHESTRATION**
Rooting Out All Terror, Corruption and It's Financing

European Union is already now fulfilled by gruesome reminders that unpredictable threat in public venues and event spaces is ongoing. Reality shows the lack of extraordinary measures to respond aggressively to the danger of hazards. The future is now and you have the power to prevent growing tragic terrorist attacks, loan-wolf or active shooter plans. Why you must be looking at the future threats, and how to create a holistic approach to safeguard your public venue?

Ricardo Baretzky, President, **ECIPS and CyberPOL**

SHIELD I: GEARING UP YOUR PUBLIC SAFETY MEASURES: PLANNING AND PREPARATION

1025 **SAFETY THROUGHT ASSESSMENT**
Identification, Analysis, and Management of Hazards and Risks Affecting Your Public's Safety and Security

- Key out the erratic impact of current security threats in Europe for a better understanding of soft safety spots in various types of public venues
- Reasoning of hazard impact scrutiny in public for a superior preparation: In what way an external attack will affect your next gathering?
- The blooming art of planning: Urgency for comprehensive active threat management to keep every mass gathering safe

Lesley Cox, Head of Safety and Security, **Silverstone Circuits Ltd**

1100 **TOP-PRIORITISED FIRE SAFETY**
Safety First is Safety Always: When You Least Expect It!

- Target hardening for safer patrons: Security and perimeter measures for taking soft targets away from would-be attackers
- Fire hazard mitigation: Proven plans and detailed preparations for anti-ramming countermeasures
- Lockdown planning: Bracing your public and organisation in the face of nobody in – nobody out emergency lockdown scenarios
- Leading technology and surveillance setup: Prompt security innovations usage with well-trained personnel for the best public venue protection

Dave Pamah, Fire Service Medal Winner Professional Firefighter and Union Learning Representative for the Fire Brigades Union, **London Fire Brigade**

1135 **UNOBSTRUCTED BUSINESS SECURITY**
Unwanted Attacks and Unwanted Incidents: Strengthening Public Venue and Events Business Resilience

- Stay awake for the next attack: Alerting to the risk of potential public threat to understand the impact on your business flexibility
- Instituting a proper security methods for the finest public venue protection to avoid a negative impact on your long term business strategy
- Key security principles: Bolster your business resilience with master preparation to keep your customers, entertainers and the personnel safe

Yvan De Mesmaeker, Secretary General, **European Corporate Security Association - ECSA**

1210 **CCTV THROUGH YOUR EYES**
Turn on Public Awareness Switches: Ensuring You Have Safety Ready Staff and Patrons

- Careful analysis of emergency awareness prior to crowd gathering in public: Know-how for the superior prevention outcome
- Need for an extra self-security in the public venue: How right cooperation between security forces will move your skills to the next level?
- Boosting suspicious behavior detection awareness: Learn how not to freak your crowd out

William J. Scampton

Head of Operations and Security, **Derry City F.C.**

1245 Q&A Session

1300 Lunch Break

SHIELD II: COMPLYING WITH SAFETY POLICIES AND PROTOCOLS

1400 **DON'T KEEP UP WITH ATTACK - OVERCOME IT**
Place a Perfect Security Shield Around Your Next Gathering: Keeping Up with the Right Safety Standards for Further Protection

- What are the current greatly practiced defence-grade standards in place, and how it helps to step-up for disaster response in public gatherings?
- Expand your security policy scale: Proper safety protocol writing techniques to keep-up with best evaluated post-attack emergency codes
- Extending state of emergency ahead: Security increment in public venue with accurately followed guidelines

John Hermans RSE,

Corporate Security Manager, **JVH gaming & entertainment**

1435 **COLLABORATE AND INTEGRATE GETS HALF THE JOB DONE**
Communication Can Be the Achilles Heel in Any Emergency Response Let Alone Public Venues:

- How can you communicate with all agencies, how do you integrate?
- What are the information challenges for better security data exchange between security professionals, government and an entertainment business?
- Danger is greater when alone create a risk assessment group, (RAG), enroll others in your boat and help row it upstream
- Extend the state of emergency ahead with real time information exchange and education of your staff and local community
- Stand at the forefront of your public venue safety with proper control of real time security information flow

Neville Brooklyn Hay Avsec,

Director of Training and the CEO, **Interport Police; Brooklyn Associates, United Kingdom**

1510 **LET'S TALK SECURITY!**
Staying on High Alert: Need for More Safety Controls in Public Venues?

In this panel discussion the expert team will turn to security regulations in Europe as well as its implementation phases. With main regulations put on the table, you will get the best insights on legal safety guidance among Member States and learn about the most efficient ways to share public safety information through official databases. Identify information share gaps and learn how to be well prepared for fluid share of data.

- Debate on public safety guidance for superior security compliance in accessible venues: What observable standards for public's safety can heighten your performance prior to every mass gathering?
- Boosting security expectations further: What are the best applicable security control tools for the most efficient venue protection?
- Building safety standardisation system: Interoperability between an official databases for smooth response to public emergencies

Moderator:

Carlos Salazar,

Head Brussels Office, **EASA - European Aviation Safety Agency**

Panelist:

Silvio Mascagna,

Member of Cabinet, European Commission, **Security Union, Belgium**

0730 Registration to the event and Breakfast

0830 Metropolis Grand Opening

0845 Metropolis Headliner Keynote

PETER HINSSEN

Serial entrepreneur, author of the book *The Day After Tomorrow* and professor at MIT (Massachusetts Institute of Technology). Peter speaks about radical innovation, leadership and the impact of technology on business and society.

0930 Morning Break

0945 Chairperson Opening Address for Public Venues and Events Safe Security

Paul Wertheimer, Principal and Founder, **Crowd Management Strategies**

SHIELD III: BOLSTERING YOUR SECURITY FORCE FOR EFFECTIVE PREVENTION

0950

POWER UP YOUR SECURITY!
Proactive Onslaught Management: Overcoming Challenges for Public Pop-Up Events vs. Multi-Purpose Venues

In this session you will have an exceptional chance to merge the contrasting types of public events and apply undergoing challenges to both kinds of gatherings. Determine the distinctive issues and compare its application in different purpose public venues.

- Attack gives no second chances: How to create your own public safety outcome with proper background check-up of your personnel?
- Slicing post-attack consequences off: Stressing the value of right investment in security training to avoid the breakthrough of active shooter, hostile vehicles, loan-wolf attacks for the next mass gatherings
- Make a big promise: Getting comfortable with public safety coordination techniques when terror storm happens to keep the public venue in your control

Moderator:

Paul Wertheimer, Principal and Founder, **Crowd Management Strategies**

Panelists:

Bernard Gerritsma, Safety and Security Manager, **Feyenoord Rotterdam N.V.**,

Cor Hijlkema, Safety and Security Manager, **InterContinental Amstel Amsterdam**

Willem Jan Suithoff, Head of Security, **Waldorf Astoria Hotels & Resorts**

Ton Vink, Chief Executive Officer, **ISSM Group**

1040

SAFETY INFRASTRUCTURE CONSTRUCTION
Tactical Risk Assessment: Lessons Learned from the Aviation Industry for the Effective Securing of Public Venues and Events

- Examples of behavioural analysis working to safeguard the aviation industry
- Converting a methodology effective in securing aviation into one designed to combat the threat to public venues and events
- Challenges in the deployment of tactical risk assessment in mass gatherings
- Pitfalls to be avoided before rushing to implement tactical risk assessment in public venue

Philip Baum, Managing Director, Green Light Ltd. and Editor **Aviation Security International**

1115

TWO-SIDED SUSPICIOUS BEHAVIOR DETECT
Theoretical insights on suspicious behaviour detection techniques will enhance your security protection skills. Real-time example cases will be analysed to show best-known public protection practices to overcome unpredictable attacks. Learn to see a potential danger with in-depth body language analysis.

1150

DYNAMIC SESSION ON SELF PROTECTION

After a theoretical approach on wisdom of the crowd being shared, it is time to train ourselves! Come on stage for life saver training which will provide you with key protection moves in case of an active shooter attack and show what does it mean to be captive. Learn from the best of the best and stay safe in any location, at any time!

Dr. Itay Gil PhD, Former member of the Israeli Special Forces counter-terror Warfare unit, CEO and owner of protect **Israeli Security Solutions**

SECURITY CERTIFIED COMPETENCE AT THE AIRPORTS

Resilience for Threat Mitigation: Airport Emergency Planning and Aircraft Firefighting

- Aviation safety comes from security: What measures taken will guarantee safety at the airports?
- Safety design analysis in aviation industry: How to ensure protection of your patrons?
- Fire damage restoration: Creating efficient evacuation plans to build real-time protection at the airport

Jan Huizing, Chief Fire Officer, **Groningen Airport Eelde, The Netherlands**

1245

WRAP-UP Q&A SESSION

1300

Networking Lunch

1400

SMART HAS THE RIGHT TRAINING
Safety Equip: Arming Your Security Force with an Active Shooter Drill

Storyscaping initiative with an expert military trainer will bring you to the next level of security prevention in your venue. Real-time attack response training will give you an insights of how to create your own security world when terrorist attack, active shooter or loan-wolf attack storm your venue.

Simon Morgan, Director of Operations and Training; Former Royal Personal Protection Officer to Her Majesty the Queen, **Trojan**,

1500

SURVEILLANCE INSIGHT VIEW
Lessons Learned from Public Behavioural Analysis and Surveillance: Got an Eye for a Lie?

- Categorising a suspicious behavior: How to spot risks at your venue and in your crowd?
- What potential and what opportunity lies in your event and how to take advantage of it?
- The time to prevent is right now: What do you need to prepare and monitor to be able to react when it's needed the most?
- How to stay in control of your venue even if the unforeseen strikes?

Marcel Altenburg, Enterprise Delivery Fellow, **Crowd Science Centre of Manchester Metropolitan University**

1535

MINI COACHING SESSION
THE KIND OF SECURITY YOU WANT FOR YOURSELF
Public Venue Security and Loss Prevention: Escape Route Mapping

Arbitrary stormed public venue force us to look back and institute additional security controls in public venues. But what are the best ways to act right in the real time of hazardous attack? That begs the question on how do you look for your way to escape when adopting various evacuation plans and providing security on a bigger scale? Join an interactive Escape Route Mapping session and share your tips with one of the best security professionals on how to escape safely when evacuating your guests, customers and the personnel.

Peter Willems, Department Manager Security, **De Bijenkorf**

TERMS AND CONDITIONS

Management Events Netherlands BV. shall hereinafter be referred to as "ME".

1. Fees are inclusive of program materials and refreshments. Event program contents, although confirmed at the time of publishing, are subject to change without notice.
2. **Payment Terms:** An invoice will be issued upon ME's receipt of the duly completed registration form. Full payment must be made within seven (7) working days from the date of receipt of invoice. Registration is confirmed upon full payment. **PLEASE NOTE:** Full payments must be received prior to the date of event. ME reserves its right to refuse admission if payment is not received on time. All fees payable are subjected to VAT, service charges and/or statutory charges, where so required.
3. **Substitution:** Provided that full payment is made, substitutions at no extra charge up to fourteen (14) days before the event are allowed. Substitutions between fourteen (14) days and the date of the event will be allowed subject to an administration fee of 10% of the total fee that is to be paid.
4. **Cancellation by Participant(s):** Once registration is confirmed, cancellation may be made subject to a cancellation fee of 50% of the total fee paid. Cancellations must be received in writing by mail or e-mail six (6) weeks before the date of event ("the said Period") in order to obtain a full credit for any future ME event. There shall be no refund for cancellations made after the said Period. All Goods and Services Taxes (i.e. VAT), service charges and other statutory charges shall not be refundable. Non-payment or non-attendance does not constitute cancellation.

Cancellation, Postponement and Changes by ME: In the event that ME permanently cancels the event for any reason whatsoever and provided that the event is not postponed to a later date or merged with another event, the participant(s) shall be given a credit note for the amount that the participant(s) has/have paid towards such permanently cancelled event and such credit note shall be valid for up to twelve (12) months ("the Validity Period") and must be used by the participant(s) for another ME event during the Validity Period.

For the avoidance of doubt, there shall be no refund of total fees paid or part thereof in the event ME permanently cancels the event, postpones the event, merges the event with another event or make any changes in relation to the event for any reason whatsoever and ME shall not be responsible for the participants' airfares, hotel and accommodation charges and/or other travel charges incurred by the participants and ME shall not be liable for any loss and damages resulting from such cancellation, postponement of the event, merger of events or changes made in relation to the event.

5. Intellectual Property

Copyright: All materials produced and/or distributed by ME in connection with the event are protected by copyrights owned by ME and/or third parties. Any unauthorised duplication, publication and/or distribution of such materials are prohibited.

Trademarks: All trademarks, service marks and logos used and displayed by ME in connection with the event are registered and unregistered marks of ME and/or third parties. Use of such marks is prohibited without the prior written consent of ME and/or third party owners specific for each use and all goodwill generated from the use of any of such marks shall inure to the benefit of ME and/or third party owners.

6. **Data Protection:** By signing this Form, the participant(s) confirm(s) that it/he/she/they has/ have requested and consented to ME collecting, processing and retaining the participant(s)' information on ME's group companies' database and to be used by ME group companies and disclosed to selected third parties to assist in communicating products and services which may be of interest to the participant(s). The participant(s) may notify ME at ME's local office or by email at marketing@managementevents.com in the event the participant(s) do/does not wish to receive such information. The participant(s) also agree(s) that all phone calls made to ME may be recorded for training and security purposes.
7. **Privacy Policy:** ME will follow its own data protection practices concerning the Event. Further, use of any personal data by ME is governed by Management Events' Privacy Policy, <https://managementevents.com/privacy-policy/>
8. **Reservation of Rights:** While every reasonable effort will be made to adhere to the published or advertised package, ME reserves its rights to change the venue of the event, cancel or postpone the event, change the date of the event or merge the event with another event by notification to all participants of the event thereof AND/OR omit or vary event features and make such changes as deemed necessary with or without notice due to any essential change in circumstances relating to the event which includes, but not limited to, Force Majeure, as defined hereinafter, and/or breach of agreement by any of ME's business partners who has an important role in the event.
9. **Force Majeure:** Events of Force Majeure are such that are unforeseen at the time of agreeing on the event, which prevent the realisation of the event subsequent to the date of agreeing on the event, and which are beyond the control of ME. Events of Force Majeure shall include, without limitation, fire, unfavourable natural conditions, problems encountered during mobilisation, changes in legal provisions, rules and regulations by the authorities, malfunctions and breakdowns in traffic and data communication, accidents concerning ME, burglaries, hacking and delays by sub-contractors due to any of the aforesaid reasons.
10. **Agreement:** The participant(s) hereby acknowledge(s), confirm(s) and agree(s) that: -
 - i. the participant(s) specifically authorise(s) ME to charge the credit card listed above for the amount to be paid by the participant(s);
 - ii. the signing of this Form by the participant(s) constitutes a binding, valid and enforceable agreement between the participant(s) and ME ("this Agreement");
 - iii. the participant(s) has/have no basis to claim that any payment required under this Agreement is at any time improper, disputed or unauthorised in any way; and
 - iv. the participant(s) has/have read and understood all the terms and conditions herein stated.
11. **Governing Laws:** This Agreement shall be governed and construed in accordance with the laws of Finland. However, ME is entitled to the exclusive right of submitting to the jurisdiction of the courts in which the participant is domiciled or located.
